For Classes X and XII

Dear Parents

On behalf of the Prestige Family, I take this opportunity to extend my best wishes to you for the NEW YEAR 2021. With immense gratitude, I would like to thank you for your constant support in all our educational initiatives. Moreover, it is overwhelming to see that we all stand united even in these challenging situations and we resolve to maximize the learning opportunities for our students in an ideal manner.

We are glad to bring to your kind notice that the Government of NCT, Delhi, has notified reopening of schools for classes X and XII. Moreover, the CBSE has already announced the dates for the Board Examinations 2021. The CBSE has also notified that the practicals will commence from March 1, 2021. Therefore, in terms of abiding by the guidelines issued by the concerned authorities, the school will re-open for the students of classes X & XII from Monday, January 18, 2021 from 10:00 am to 1:00 pm.

These offline classes will entitle the students to perform the practicals and project work in a highly efficient manner in the school's laboratory under the expert guidance of their respective teachers, which is indeed quintessential and in turn will foster the academic proficiency of the learners. At the same time, the learners will get the opportunity to resolve their doubts and queries on account of having 'one-to one interaction' with their subject teachers. It is indeed a fact that, the students derive inspiration, motivation and mentorship in a highly desirable manner, specifically during physical classroom sessions.

We would sincerely like to seek your wholehearted cooperation in the smooth execution of the offline sessions to be conducted in the school premises. Please be assured, the school will strictly follow the Standard Operating Procedure (SOP) guidelines issued by the health officials and government agencies in the view of the COVID-19 pandemic.
